AAIS News & Updates  
February 2018

## A Note from the President's Desk

AAIS President Mr Philip Quek outlines our recent activities and upcoming initiatives in the first of his biannual letters to members. Read about the Association's activities in support of the Aerospace Industry Transformation Map and the Singapore Airshow 2018, as well as our priorities for 2018, and get a glimpse of upcoming events on the calendar.

## Singapore Airshow Wrap-up

### A Bustling Singapore Pavilion at Singapore Airshow 2018!

Together with members, partners and exhibitors, AAIS had an exciting week at Singapore Airshow 2018! AAIS built and managed the Singapore Pavilion, which had 36 exhibiting organisations altogether, including 20 first-time exhibitors and 9 SMEs/start-ups featured at the SME pavilion. To deliver more value to our members and exhibitors, AAIS organised 10 different programmes all within the same week! ... [Read More](#)

## Upcoming Industry Activities

### MRO East Asia Conference

Join AAIS at MRO East Asia, taking place on 7 and 8 March 2018 at the JW Marriott Hanoi, Vietnam. Gathering over 180 attendees from airlines and the supply chain, the conference explores key MRO trends for the region and examines how to optimise maintenance planning to effectively manage expanding fleets. ...

### Nadcap Checklist Review - Heat Treating

This course is presented by experienced auditors - experts in Nadcap Heat Treating requirements. An important aspect of the course is the opportunity to ask questions, at any time and on any subject related to Nadcap and the Heat Treating accreditation process. The course will always address the current version of each checklist. Where revisions have been confirmed but ...
