

The Industry Gives Back!

Aerospace Community Day 2018

It was a very special Valentine's Day this year for the Aerospace community. On 14 February 2018, more than 30 volunteers from our member companies hosted 120 elderly from four homes to an enjoyable Chinese New Year lunch at the Imperial Court restaurant at The Grassroot's Club. View more photos from the event...

Singapore Retains Edge as MRO Hub

The MRO East Asia conference recently held in Hanoi, Vietnam from 7 to 8 March 2018, gathered industry members to discuss various developments in the aftermarket. At a panel discussion on the landscape in Asia, one question highlighted was why Singapore still thrives, even with higher labour costs. "A common perception about the well-established MRO sector in Singapore is that labor costs are higher than elsewhere in the region, and space for new facilities is limited. However, industry experts speaking at Aviation Week's MRO East Asia conference stress that other factors offset labor costs, and new development projects will allow for growth."
