## Nadcap Technical Symposium (Singapore)

Organised by the Performance Review Institute (PRI) and supported by AAIS, the Nadcap Technical Symposium was held for the first time in Singapore on 14 November 2018. At the event, AAIS and PRI renewed their 10-year collaboration with the signing of a Memorandum of Understanding. The two parties agreed to continue providing and promoting aerospace special processes auditing, training, and personnel qualification programmes in Singapore.
