Energising the Additive Manufacturing Community

AAIS was proud to be a supporting partner of the Additive Manufacturing (AM) workshop organised jointly by the European Aviation Safety Agency (EASA) and Civil Aviation Authority of Singapore (CAAS) from 15 to 16 October 2018. Participants enjoyed two great days of learning from industry experts and aviation regulators at the event, held at the Singapore Aviation Academy.

Plant-a-Tree Initiative at Seletar Aerospace Park

As part of its sustainability efforts, JTC launched its Plant-a-Tree initiative at Seletar Aerospace Park (SAP) on Tuesday, 16 October 2018. Guest-of-Honour, President Halimah Yacob, together with the Council of Presidential Advisers, launched the initiative by planting a Flame of the Forest tree at Park Lane on Tuesday. AAIS was honoured to represent the Seletar aerospace business community at the ceremony alongside representatives from JTC and the Seletar Hills Estate Residents' ...

Nadcap Technical Symposium in Singapore

Date(s): Wednesday, 14 November 2018

The Nadcap Technical Symposium, organised by Performance Review Institute (PRI) and supported by AAIS, will be held for the first time in Singapore. The symposium is a great opportunity for companies to gain technical information/knowledge that will assist them to better prepare for a Nadcap audit. Highlights include two breakout sessions on Heat Treating and Chemical Processing.

Business Mission to AEROMART Toulouse 2018

Date(s): 3 to 8 December 2018

AAIS will be organising a Business Mission to France to participate in AEROMART Toulouse 2018. This international business convention for aerospace provides tailored one-to-one meetings that will enable Singapore companies to network with members from the global aerospace supply chain. Register your interest in participating under the Singapore Pavilion and book your calendars.
