

Expanding Cooperation with French Aerospace Industry Clusters

In the spirit of expanding cooperation between Singapore and French aerospace industries, AAIS has concluded Memoranda of Cooperation with three aerospace industry clusters in France. The three clusters – namely, Aerospace Valley, ASTech Paris Region and SAFE Cluster, collectively represent more than 1,500 members. Singapore companies can look forward to even more opportunities to connect, explore business activities and collaboration. [Read more](#)

AAIS-CAAS UAS Focus Group Discussion

The Singapore Unmanned Aircraft Systems Community - a part of AAIS - held an industry focus group discussion on UAS registration, co-hosted by the Civil Aviation Authority of Singapore (CAAS). The session on 11 July, sought industry inputs on the proposed policy for the registration of drones. The inputs received will be considered by the UAS Advisory Panel in making its recommendations to CAAS. [Read more](#)

Aerospace Annual Bowling Tournament 2019

Held on Saturday, 6 July, the popular AAIS Annual Bowling Tournament saw a record participation of 30 teams this year. With 120 players representing 21 companies from across the aerospace industries, the tournament filled up all available lanes at a new venue - Orchid Bowl @ Our Tampines Hub. Congratulations to the winning teams and bowlers! [Read more](#)

Upcoming Industry Activities
