Greening Our Workplace @ Seletar Aerospace Park

Greening our Workplace @ Seletar Aerospace Park (GROW@SAP) is an initiative led by JTC, representing the industry's collective effort towards supporting environmental sustainability. This initiative aims to reinforce the character of SAP and enhance the biophilic environment of the estate for aerospace businesses and talent.

The aerospace community can play a part by making a tax-deductible contribution towards this initiative. Funds will go towards supporting the maintenance of a new public park along Hampstead Gardens, as well as greening efforts around the Seletar area. Please reach out to the [JTC Aerospace team](#) for more information.
