

New Digital Platform for Members

As part of our efforts to improve the membership experience, AAIS will be introducing a new digital platform to bring our membership services and activities online. This digital platform will allow you to easily manage and update your contact details and company membership information, view and register to participate in our activities in one platform. Please look out for the invitation email to create your login and verify your member details. This will be sent to you by end August.

Bulk orders for Masks & Sanitisers

As business activities resume with Safe Management Measures, businesses have been making essential health supplies readily available to provide a safe working environment for their employees. AAIS, with the support of Enterprise Singapore, is consolidating demand for the purchase of surgical masks or hand sanitisers for members. The following items are in ready stock:

Surgical Mask (standard grade)

- Mixed brands but specifications are similar
- 3-ply
- Bacterial Filtration Efficiency $\geq 95\%$
- Price *approx.* \$0.90 per piece of mask
- 50 pcs per box

Hand Sanitiser

- Mixed brands but specifications are similar
- At least 60% alcohol content
- Large 500ml bottles (e.g. for common area use)
- Small 50-100ml bottles (e.g. for individual use)
- Price *approx.* \$5.50 per large bottle; *approx.* \$1.50 per small bottle

Please indicate your interest to order by completing the form below

Rental Relief Framework (COVID-19 Act)

The COVID-19 (Temporary Measures) (Amendment) Act that was passed in Parliament on 5 June 2020 provides a rental relief framework for Small and Medium Enterprises (SMEs). The framework aims to help affected SMEs recover from the impact of COVID-19, by providing mandated co-sharing of rental obligations between the Government, landlords and tenants. New rental relief provisions will come into force by end-July 2020. Under Part 2 of the Act, enhanced relief is also available for businesses, organisations and individuals, who are unable to fulfil their contractual obligations because of COVID-19.

- **Please refer to the following links for more information on:**
 - **Rental relief framework for SMEs**
 - **Contacts covered under Temporary Relief from Inability to Perform Contractual Obligations**

Appointment of Kevin Chow to AAIS MC

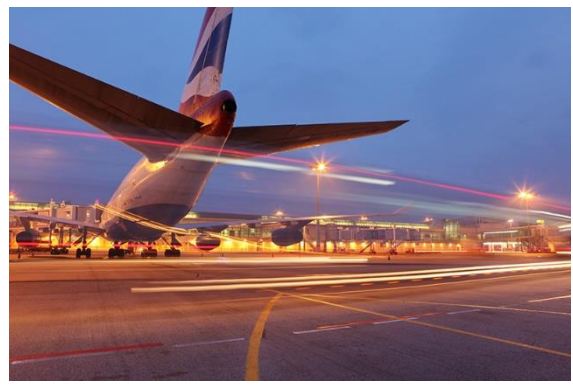

The AAIS Management Committee recently confirmed the appointment of Mr Kevin Chow, CEO of Thales Solutions Asia as a co-opted member. Given his many years as an industry leader, Mr Chow brings a wealth of knowledge, network and experience.

Prior to his current role, Mr Chow was VP/GM of ST Aerospace Resources Pte Ltd and VP, Strategic Plans and Business Development for ST Aerospace. He had also served in EDB's Singapore and Europe Offices. He is a Board Member of the French Chamber of Commerce in Singapore and serves on the Singapore Institute of Technology's Advisory Board for Aerospace Bachelor Programs.

We warmly welcome Kevin to the MC.

Confidence in Air Travel & Tourism Post COVID-19

Based on the findings of a research project, this webinar will provide insights into Singapore residents' perspectives of air travel post COVID-19 and their confidence to travel after restrictions are lifted. Join our speaker, Dr Eliver Lin from the Singapore Institute of Technology, to find out more about what factors are affecting their confidence level; the effectiveness of different measures to relieve passengers' worries; and which market(s) with more confidence in air travel.

Aerospace Got Heart: Virtual Concert for Seniors & Carers

Lend Your Talent for a Good Cause!

The pandemic has kept everyone apart, but none are more isolated than senior citizens living in homes and care facilities. **Aerospace Got Heart** aims to bring joy to these seniors and their care teams through a virtual concert. Lend your talent and your voice for a good cause! Be it an acoustic performance, a magic show, an operatic aria, simply record yourself (friends and family can join in, too!) and send us the video, which will be pieced together as a concert. We are also calling on talented video-editors to put together the concert!

EASA Part 21 Subpart J Design Organisation Approval

Date(s): 20 & 21 July 2020

virtual training via WebEx/ MS Teams

This two-day course will discuss EASA Part 21 Subpart J, which details the elements required of a design organisation in order to hold an EASA Design Organisation Approval (DOA). The content of the training course includes several examples of different EASA DOA to promote learning and gain practical knowledge. An in-depth view will be given on the classification of changes and repairs, which will be explained, and under which conditions these changes are approved under the privilege of the DOA approval or EASA.
