To validate and obtain inputs on the Problem Statement and Issues, and to identify possible solutions, the Sub-Committee will be engaging stakeholders (i.e. HR/Training/Recruitment specialists, IHLs, Manpower Suppliers and AAIS members) via **focus group discussions in October and November 2021**.

 Tanah Merah Country...
Singapore

With the situation being extremely fluid at present the committee has met on this and it has been decided that the event will be postponed until the 29 October 2021.

After much consideration, APGT will be held this year on Friday, 29 October 2021 at the Tanah Merah Country Club (Garden Course). We are all eager to get on the green with friends again! To take into consideration current safe distancing measures, there will be a change to the format, and there will be no networking dinner. As before, net proceeds will go towards supporting our chosen beneficiary, Cerebral Palsy Alliance of Singapore.

To participate, please download and complete the Participation Form and submit with payment.

Sponsors are welcome! Please contact Margaret at margaret@aaais.org.sg.
