End-of-Year AAIS Members Networking Session

2021 is fast coming to an end. It hasn't been an easy year but as borders re-open and aircraft begin to fly again, there's some reason for us to celebrate. Join us at the AAIS year-end HOST Networking **this Friday, 10 December at 4 pm**. Hear from newly elected President, **Mr Wong Yue Jeen** (SIA Engineering Company) on his vision for AAIS and the industry. Joining him will be new Management Committee members, **Mr Oliver Chamberlain** (Rolls-Royce Singapore) and **Ms Yap Siok Leng** (Meggitt Aerospace APAC).

Bring your glass of wine and toast to a "Better Year Ahead!" for the aerospace and aviation industries!

Industry Performance Data by EDB and MTI

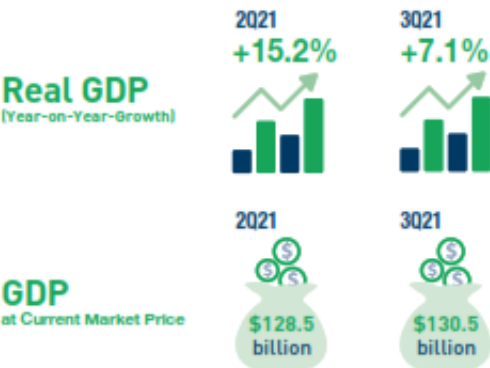

MTI and EDB have recently released the **Economic Survey of Singapore Third Quarter 2021** and the **Monthly Manufacturing Performance October 2021** respectively.

In 3Q2021, the Singapore economy grew by 7.1% year-on-year basis, slower than the 15.2% expansion recorded in 2Q2021. The GDP growth forecast for Singapore is "around 7.0%" in 2021 and "3.0 to 5.0%" in 2022.

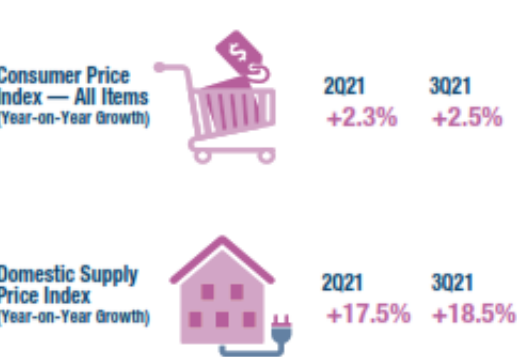

Singapore's manufacturing output increased 16.9% in October 2021. **The aerospace segment grew 26.9%** "as demand for maintenance, repair and overhaul activities improved compared to a year ago, when there was widespread grounding of aircraft due to COVID-19 international travel restrictions."

Aerospace Community Event: Bringing Chinese New Year Cheer to the Elderly

As we head into the new year, AAIS is preparing a slew of activities including our yearly Aerospace Community event. As restrictions are still in place, we are unable to visit elderly homes or take them out for a meal. Nevertheless, we would like to continue our efforts in bringing CNY joy to them.

On behalf of the Aerospace Community, AAIS will be organising bento lunches, red packets (\$4 each) and care packages (mandarin oranges, colouring books and pencils) for the elderly at St John's Home for Elderly Persons (approx. 80 residents) and Bright Hill Evergreen Home (approx. 240 residents).

We seek your generous contributions to make this happen and bring some smiles and a touch of festive cheer to the deserving beneficiaries. **To make your contributions, please scan the QR code into your banking/Paynow app, enter the amount and indicate "CNY2022, your name/organization" under Bill Ref. No.** If you have queries or clarifications, please contact Margaret (margaret@ais.org.sg).

AeroPerks by Singapore Airshow 2022

AEROPERKS

As a mark of solidarity to the industry, Singapore Airshow specially extends its proprietary rewards programme to all aerospace students and professionals!

Recent Activities

Innovation in the Air Transport Industry

Co-organised with Starburst Aerospace, this webinar held on 11 November 2021 provided updates on the Singapore Aviation Accelerator which had graduated 8 start-ups from its inaugural cohort and is working with them on commercialization. A highlight of the webinar was the presentation by Mr Paul Brady of CarbonClick which has developed a carbon offset solution for airports, airlines, and e-commerce platforms. This was followed by a panel discussion with Mr Karthikeyan T. of SIA Engineering Company and Mr Alex Kasinec of Evitado Technologies (a start-up that is working on a ground collision avoidance solution with SIAEC).

Transformation & Opportunities in the Aerospace sector

AAIS collaborated with ITAP 2021 to present a Digital Sandbox webinar, 'Transformation and Opportunities in the Aerospace Sector', on 24 Nov 2021. The event was moderated by CE AAIS and featured a panel discussion with Mr Hanaka Minoru (GM International Affairs, Society of Japanese Aerospace Companies) and Mr Naguib Mohd Nor (President, Malaysia Aerospace Industry Association). The panel shared its view of the pandemic's impact on industry, and the role of industry associations and technology in recovery. This was followed by a presentation by Mr Shawn Lee (Head of Digital Solutions APAC, Airbus Group) on the progress of Airbus' Skywise digital service and its impact on customers.

Upcoming Industry Activities

AAIS' Year-end HOST Networking (online)

 Dec 10, 2021
 (4 PM - 5 PM)
 (GMT+8)

2021 is drawing to a close. With the gradual re-opening of borders and air travel, recovery is in the air. Let's share some year-end cheer and look forward to fresh beginnings.

Come and join our year-end HOST Networking event online. AAIS' newly-elected President, Wong Yue Jeen (SVP, Partnership Management and Business Development, SIA Engineering Company) will share his reflections and host a conversation with new Management Committee members, Oliver Chamberlain (Rolls-Royce) and Yap Siok Leng (Meggitt). We will then breakout into small groups to join friends old and new in casual conversation.

Please bring your glass of wine or bubbly of choice for a year-end toast. "Here's to staying positive, and testing negative!"

Singapore Stopover: Meet Zara Rutherford

Dec 19, 2021
(12:30 PM - 1:30 PM)
(GMT+8)

19-year-old Zara Rutherford is attempting to become the youngest woman ever to fly solo around the world and the youngest person to fly solo around the world in ultralight aircraft. Her mission is to draw attention to and improve gender equality in aviation and technical fields (STEM) in general.

Flying a high-performance two-seat tandem ultralight aircraft of Czech-Slovak origin, Zara is on the Asian leg of her journey and is scheduled to make a brief stopover in Singapore (Seletar Airport) tentatively on 19 December 2021.

Join us to meet her online and learn her story first-hand. Register your interest to participate!
