Aerospace Community Event: Bringing Chinese New Year Cheer to the Elderly

As we head into the new year, AAIS is preparing a slew of activities including our yearly Aerospace Community event. As restrictions are still in place, we are unable to visit elderly homes or take them out for a meal. Nevertheless, we would like to continue our efforts in bringing CNY joy to them.

On behalf of the Aerospace Community, AAIS will be organising bento lunches, red packets (\$4 each) and care packages (mandarin oranges, colouring books and pencils) for the elderly at St John's Home for Elderly Persons (approx. 80 residents) and Bright Hill Evergreen Home (approx. 240 residents).

We seek your generous contributions to make this happen and bring some smiles and a touch of festive cheer to the deserving beneficiaries. **To make your contributions, please scan the QR code into your banking/Paynow app, enter the amount and indicate "CNY2022, your name/organization" under Bill Ref. No.** If you have queries or clarifications, please contact Margaret (margaret@aaais.org.sg).
