## Unmanned Air Mobility Roundtable

AAIS, ITE and Volocopter were proud to jointly organise the first Urban Air Mobility Roundtable in Singapore on 13 July 2022. Held at ITE College Central, the event brought together UAM professionals and government representatives to discuss the development of the UAM ecosystem and business opportunities in the region. The session kicked off with a welcome by AAIS President as well as insightful presentations and speeches by senior executives from Volocopter and Skyports. This was followed by a robust panel discussion featuring speakers from leading UAM organisations such as Eve Air Mobility, Vertical Aerospace and Volocopter, as well as representatives from CAAS and EDB. Guests also had the chance to visit the VoloCity exhibition for a guided tour.

## Virtual B2B Meetings between Singapore and Malaysia Aerospace Companies

In collaboration with the Malaysia Aerospace Industry Association (MAIA), AAIS organised a virtual Business-to-Business (B2B) meeting programme on 7 July 2022. The event sought to provide members from both organisations with a platform to explore the regional aerospace and aviation market, as well as opportunities for synergy, collaboration and business ventures. The morning programme saw an opening address by AAIS President, as well as welcome remarks by CEO of Invest Selangor Berhad and a presentation on Supply Chain Competitiveness by President of MAIA. This was followed by a B2B programme which saw interest from over 50 companies.

## Upcoming Industry Activities

### SAQG Workshop: Changes in EASA Part 145

Aug 4, 2022  
(3 PM - 5 PM)  
(GMT+8)

JTC Business Centre  
690 West Camp Road  
...

This year, the European Union (EU) and the European Union Aviation Safety Agency (EASA) introduced changes to the Part 145 requirements, through Reg. (EU) 2021/700 (applicable since May 2022) and Reg. (EU) 2021/1963 (in force and applicable from 2 December 2022). While only minor changes were introduced to Reg (EU) 2021/700, major and significant changes have been introduced to Reg. (EU) 2021/1963.

The Singapore Aerospace Quality Group (SAQG) has specially invited Mr Luigi Preti, Maintenance Organization Expert & EASA International Officer in Singapore, to conduct an upcoming workshop addressing these changes. The intent of the workshop is to provide the Singapore aerospace industry with relevant updates to facilitate the understanding and the implementation of the above-mentioned Part 145 requirements, inclusive of the related AMC/GMs.

### Aerospace Partners Golf Tournament 2022

Sep 9, 2022  
(11 AM - 10 PM)  
(GMT+8)

Tanah Merah Country...  
Singapore

We are excited to announce that the Aerospace Partners Golf Tournament (APGT) 2022 will take place on Friday 9th September 2022 at the Tanah Merah Country Club (TMCC) Garden Course. With the relaxation of safe management measures, APGT will return to its usual format, enhancing the enjoyment of all participants. As before, all net proceeds will also go to the Cerebral Palsy Alliance Singapore (CPAS).

The format of the day will be:

\* Lunch served from 11.45 am

\* Shotgun start at 1.30 pm with novelty holes, drinks and food on course.

\* Post-golf dinner with musical performances, prize giving, CPAS art auction and lucky draw raffle

The APGT tradition is more than two-decades old and we are proud of our longstanding support for CPAS. This is especially since 2022 is the 65th anniversary of CPAS. We understand that economic factors continue to challenge the aviation recovery and as such, support of charity events is more difficult. Nevertheless, we are hopeful of your support, either as individuals or corporate participants.

## Aeromart Toulouse 2022 (Exhibition & Business Mission)

Nov 29, 2022 to Dec 1, 2022  
(GMT+1)

MEETT - Parc des Ex...  
Aussonne, Occitanie, Fr...

AAIS is exploring participation at Aeromart Toulouse 2022 which will be taking place from 29 November to 1 December. AEROMART is an established global event for the aerospace industry, connecting OEMs and their Tier 1 & 2 suppliers with manufacturers from both civil and defense categories. Bespoke pre-arranged one-to-one meetings with the contacts of your choice gives AEROMART the edge over other aerospace exhibitions.

Take the opportunity to meet with international companies and contacts from all over the world in just 2 days with minimal expense and organizational constraints. Network with the entire global aerospace supply chain through tailored B2B meetings and showcase your capabilities under the Singapore Pavilion, with the support of a grant from Enterprise Singapore (subject to a minimum of 6 exhibiting companies). To register your interest to participate and for further information, please drop an email to Margaret Chong at [margaret@aaais.org.sg](mailto:margaret@aaais.org.sg) or contact +65 9736 1722.
