Recent Activities

The Emerald Isle and the Garden City

AAIS had the pleasure of participating in a business lunch held in honour of the working visit of His Excellency Micheál Martin, Taoiseach of Ireland from 21 to 22 July 2022. In his speech, the Irish PM spoke of the similarities between the two countries and the potential of Ireland as a gateway to the EU for Singapore businesses. Ambassador of Ireland to Singapore Pat Bourne also highlighted how bilateral trade between Ireland and Singapore had more than doubled in the last few years. Exports by companies backed by Enterprise Ireland reached record highs in 2021, accounting for €116m.

We were pleased to connect over lunch with fellow aviation industry colleagues, such as from Aercaip and Aero Inspection. We thank our member, Enterprise Ireland, for the invitation.

Strengthening Cooperation and our International Networks

The recent Farnborough International Airshow provided a great opportunity for AAIS to reconnect with our network of association colleagues. AAIS was pleased to have participated in the 6th Global Aerospace Cluster Summit organised by the European Aerospace Cluster Partnership (EACP) - a network of 45 European aerospace clusters. The meetings were held again at the majestic Wax Chandler's Hall in London, which witnessed a vibrant discussion on regional cluster strategies. Our thanks to Niklas Schilling and Hamburg Aviation secretariat for organising the event.

We are excited to announce that the **Aerospace Partners Golf Tournament (APGT) 2022** will take place on **Friday 9th September 2022** at the Tanah Merah Country Club (TMCC) Garden Course. With the relaxation of safe management measures, APTG will return to its usual format, enhancing the enjoyment of all participants. The format of the day will be:

- \* Lunch served from 11.45 am
- \* Shotgun start at 1.30 pm with novelty holes, drinks and food on course.
