ABOUT AAIS

The Association of Aerospace Industries (Singapore) or AAIS, is a not-for-profit organisation established in 2003 to promote the development of Singapore as a leading aerospace hub. Its vision is "An Innovative Aerospace Community for a Sustainable Future."

AAIS represents companies involved in aviation, aerospace and unmanned aircraft systems, including maintenance, repair and overhaul (MRO), manufacturing, parts distribution, research & development, training and education, and aftermarket services. It serves as the voice of industry to influence future directions and policies, facilitates business and engenders the development of the industry community.

INTERNATIONAL AAIS NETWORK

International AAIS Network (IAN) is an initiative by the AAIS, in response to a desire by overseas-based aerospace businesses to plug into the Singapore industry network, share their capabilities and explore business opportunities with Singapore-based aerospace companies.

IAN will also enable AAIS to support the growth of the aerospace hub in the Asia-Pacific region by extending its services overseas. This includes offering market insights, business matching, directory listings and training services.

BENEFITS AND PRIVILEGES

- ✓ Receive Invitations to Networking Events
- ✓ Receive invitations to Webinars, Seminars, and Conferences
- ✓ Preferential advertising rates in AAIS Publications & Business Directories
- ✓ Complementary Subscription to Aerospace Singapore magazine (PDF)
