AAIS Updates: 23 June 2023

HIGHLIGHTS

Welcome to Our New AAIS Member

Join us in welcoming our latest members: Meritus Law LLC (Associate) and SESTO Robotics Pte Ltd (Associate).

MERITUS LAW LLC
ADVOCATES & SOLICITORS

Meritus Law LLC is an experienced corporate and commercial dispute resolution law firm in Singapore. We frequently act for and advise local and international corporations, state-owned enterprises as well as high-net-worth individuals. We have litigated a wide range of contentious matters and advised on corporate transactions of both local and cross-border nature and of varying complexity and nature.

SESTO™

SESTO provides mobile robotics and automation solutions to help companies improve workers' productivity by freeing them from repetitive tasks such as transporting tools from store to line or moving parts and components from station to station. Our mobile robots inspect inbound parts through a robot arm & vision system, preventing disputes with customers over the condition of parts received.

Business Matching with Japanese SMEs

6 to 10 November (Held in Tokyo or online)

AAIS is pleased to invite you to sign up for the 'CEO Business Meeting Event for Innovative Industry' organised by SME Support Japan (SMRJ). The Event involves business matching with Japanese SMEs in Aerospace, Robotics, IT/IoT, Industrial Machinery, or Electric Vehicle technology.

Companies that receive many meeting requests from Japanese companies will be invited to Japan for the business meetings, at the expense of SMRJ.

SMRJ will be prioritising participation by Singapore companies that are:

- Seeking distributorship agreements for, or to procure Japanese parts/products
- Interested in joint development or technological collaboration with Japanese SMEs
- Keen to form Joint Ventures with Japanese SMEs in Singapore or third countries

To apply to participate in the programme, please complete the application form and submit it to the AAIS Secretariat via email to jessica_lo@aaais.org.sg, by Friday, 30 June 2023.

Shortlisted participating companies will be contacted by SMRJ and matched with Japanese SMEs. Interpreters and business advisors will be assigned to support the business meetings. For those not travelling to Japan, meetings will be held online.

Recent Activities

AAIS New Members' Night 2023

AAIS held our second annual New Members' Night on 7 June 2023 at the Singapore Island Country Club. The event was held to welcome new corporate members that had joined AAIS during the past year.

The programme commenced with the introduction of the AAIS Management Committee to new members. During dinner, AAIS President Mr Wong Yue Jeen warmly welcomed our new members, highlighting the work of the Association and the importance of collaboration among members on topics like safety, quality, and transformation. We thank all participants for their attendance and look forward to meeting again at our upcoming events!

Upcoming Industry Activities

OJT Design and Coaching for HR and Operations Managers

 Jul 6, 2023
(11:00 AM - 12:00 PM)
(GMT+8)

Are you an HR professional, an Operations manager, or a team lead responsible for your team's development?

Are you in charge of providing hands-on training to new employees to bridge the gap between theoretical knowledge and practical application, promote knowledge transfer, and facilitate workplace integration?

Are you considering reevaluating and restructuring existing job roles to optimise efficiency, productivity, and employee satisfaction in your organisation?

Join us at this webinar which will provide tools and valuable insights for implementing workplace training processes with a focus on On-The-Job Training and Coaching. Find out available subsidies, supports and funding for structured OJT and coaching initiatives (up to 90% support!)

Aerospace Partners' Golf Tournament 2023

Sign up for a fun day with friends and contribute to a good cause

Aug 25, 2023
(11:45 AM - 8:00 PM)
(GMT+8)

Tanah Merah Country...
Singapore

Care for a spot of tee? Join us at the Aerospace Partners Golf Tournament (APGT) 2023! On behalf of the APGT Committee, we are thrilled to announce the return of this highly anticipated event. Tee off with us for a day of golf, camaraderie and networking. Net proceeds from this event will benefit the Cerebral Palsy Alliance Singapore (CPAS)!

Assemble your dream team and claim an entire flight for your organisation at \$4,860 (Gold) or \$3,780 (Silver). It's a chance to bond, strategise, and conquer the course together. Alternatively, tee up solo for \$945/person. APGT will match you up with fellow golf enthusiasts to create an unforgettable flight.

Even if you don't quite swing it, you can still chip in! Join us at the networking dinner (at \$149/person) and/or lend your support via sponsorship. Sponsors may wish to contribute items including shirts, balls, sports bags for the participants, or raffle prizes.

Every swing and each contribution supports our efforts for CPAS and their mission!

To secure your spot at APGT 2023, please complete the booking form and email to Margaret Chong via margaret@ais.org.sg.

Business Matching with Japanese SMEs (Held in Tokyo or Online)

Nov 6 - 10, 2023
(GMT+8)

Tokyo
Tokyo, Japan

AAIS is pleased to invite you to sign up for the 'CEO Business Meeting Event for Innovative Industry' organised by SME Support Japan (SMRJ). To be held from **6 to 10 November 2023**, the Event involves business matching with Japanese SMEs in Aerospace, Robotics, IT/IoT, Industrial Machinery, or Electric Vehicle technology.

Companies that receive many meeting requests from Japanese companies will be invited to Japan for the business meetings, at the expense of SMRJ.

SMRJ will be prioritising participation by Singapore companies that are:

- Seeking distributorship agreements for, or to procure Japanese parts/products
- Interested in joint development or technological collaboration with Japanese SMEs
- Keen to form Joint Ventures with Japanese SMEs in Singapore or third countries

To apply to participate in the programme, please complete the application form and submit it to the AAIS Secretariat via email to jessica_lo@ais.org.sg, by Friday, 30 June 2023. Please also direct inquiries to the same.

Shortlisted participating companies will be contacted by SMRJ and matched with Japanese SMEs. Interpreters and business advisors will be assigned to support the business meetings. For those not travelling to Japan, meetings will be held online. The schedule of meetings and confirmation of travel will be announced once the matching exercise is completed by mid Oct latest.

Advanced Engineers Leadership Programme 2023

The Institution of Engineers, Singapore (IES) and NTUC U Associate jointly present the Advanced Engineers Leadership (AEL) programme 2023. Designed based on the theme of "Enhancing The Competencies Of Our Future Engineers", the programme aims to help mid-level engineers stay relevant to the needs of their respective sectors and equip them with the right skills to be future-ready to embrace the multitude of changes they will encounter.

The programme includes six (6) masterclasses focusing on technology and leadership management, as well as collaborative projects and learning journeys. For more information and to sign up, please refer to the brochure and form.
